

CHANELLE EIDENBENZ – Director

Chanelle is a Swiss director with Dutch heritage. Her thesis film “Elephant in the Room” has screened at renowned festivals in over 15 countries and has won numerous awards. During her film studies at the Zurich University of the Arts, Chanelle seized every opportunity to leave her comfort zone. She studied in Seoul, participated in transdisciplinary workshops in New York and Stockholm and was part of the artist graduate program “Transcultural Collaboration” in Hong Kong. Upon completing her studies, she directed the third season of the web series “Nr.47” for Swiss national TV.

Always on the hunt for the moments that move, she often finds her magic in situations that aren't perfect.
